

# Purchase/Upgrade Guide

In this Guide E-Mail Templates Manager is used as example.  
The Guide applies to all segmented extensions by AITOC.

# TABLE OF CONTENTS

- 1. How to purchase the Module.....3
- 2. How to upgrade the License.....7

Thank you for you interest in AITOC extensions. This Guide will provide the information on how to purchase and upgrade the license for AITOC segmented extensions. License options we provide may depend on the number of Stores, Admins or Products on your Magento. Please read the comments on each product page located under the options dropdown before making a purchase.

Please refer to the License Agreement available on each product page for more information about Segmented Products.

# 1. How to purchase the Module

The License option you select during the purchase can be upgraded at any time. Please refer to page 7 of this Guide for details.

When AITOC extension comes with different License Options, there is a drop down list of options available on the Product Page. In the dropdown you are to select the number of units (Stores, Admins or Products) that you need. Please read the description line that comes under the dropdown for specific details.

The License will work only for one Magento software (installation). If you would like to purchase an extension for 2 or more different Magento installations, set the necessary Quantity. If you specify more than one, they will be automatically separated into different packages in the Shopping Cart, where you will be able to choose different License options.

Each option has its own price. The higher the option, the cheaper is the price per unit (i.e. Store, Admin or Product) . There is an option between the last number and Unlim that allows you to enter a specific number of units (Stores/Admins/ Products). In this case, it's the "3+n" option. If you select it, an input field will appear, where you can enter the number, which has to be larger that the previous available option. In this case, more than 3.

Installation

1	(\$69)
2	(\$99)
3	(\$129)
3+n	(\$129+\$25*n)
Unlim	(\$399)

# 1. How to purchase the Module

The screenshot shows the AITOC website's shopping cart. At the top, there are navigation links for home, contact, and site map. A promotional banner offers 10% off for purchases over \$200. The main navigation includes phpFox Extensions, Magento Extensions, and Customization. The cart is titled 'Shopping Cart' and contains one item: 'Email template manager (S)'. The license options for this item include a dropdown menu for 'Number of stores' currently set to 1. Callouts explain that this quantity can be edited and that the 'Update Shopping Cart' button should be used. The cart summary shows a subtotal and grand total of \$69.00, with a 'Proceed to Checkout' button.

# 1. How to purchase the Module

The screenshot shows the top of the AITOC website. On the left, there are navigation links for 'home', 'contact', and 'site map'. The AITOC logo is prominently displayed with the tagline 'Solving more of your problems. Fast.'. To the right, there is a promotional banner: 'Get 10% off for each purchase over \$200 + more great discount deals!'. Further right is a search bar with the text 'search site...' and a magnifying glass icon. In the top right corner, there are links for 'My Account', 'My Cart', 'Checkout', and 'Log Out'. Below the header is a navigation menu with three main categories: 'Extensions', 'Customizations', and 'Web Development'. Below the menu, there is a payment method banner that says 'We accept: PayPal' followed by logos for VISA, MasterCard, AMEX, and DISCOVER.

After your Purchase has been verified, go to My Downloads section.

The screenshot shows the 'My Account' sidebar menu. The menu items are: 'My Account', 'Account Dashboard', 'Account Information', 'Address Book', 'My Orders', 'My Product Reviews', 'Newsletter Subscriptions', 'My Downloadable Products' (which is highlighted in orange), 'Available Downloads', and 'Available Updates'.

## My Downloadable Products

Items 1 of 1 total Page: 1 Show 10 per page

Order #	Date	Title	Status	Remaining Downloads
<a href="#">100002336</a>	2/12/10	Email template manager (S) - <a href="#">Email template manager - segmented 19</a> Package type: Installation Store quantity: 2	Available	Unlimited

Items 1 of 1 total

Download the Installation package

Each download has a Module name, Package type and units (Stores, Admins or Products) quantity.

That's it for buying the product. Please refer to the Installation/Uninstallation Guide available on the Product Page for instructions on how to install the Extension, and to User Manual on how to use it.

## 2. How to upgrade the License

The screenshot shows the Magento Admin Panel interface. At the top, there is a navigation bar with tabs for Dashboard, Sales, Catalog, Customers, Promotions, Newsletter, CMS, Reports, and System. Below the navigation bar, there is a 'Latest Message' section with a warning icon and text: 'vB integration lite is going to be launched soon zzz [Read details](#)'. The main content area is titled 'Dashboard' and features a 'Choose Store View' dropdown menu set to 'All Store Views'. Below this, there are two summary cards: 'Lifetime Sales' and 'Average Orders', both displaying '\$0.00'. To the right, there is a sidebar menu with various options. A yellow callout box with the text 'Go to the Manage Aitoc Modules' has an arrow pointing to the 'Manage Aitoc Modules' option in the sidebar menu. The sidebar menu items are: Manage Aitoc Modules, My Account, Notifications, Tools, Web Services, Design, Import/Export, Manage Currency Rates, Transactional Emails, Permissions, Magento Connect, Cache Management, Manage Stores, and Configuration.

If you need to upgrade your license (i.e. increase the number of Stores, Admins or Products in your License), you may do it any time from your Admin Panel. The cost of the option you've already paid will be discounted.

## 2. How to upgrade the License

The screenshot shows the Magento Admin Panel interface. At the top, there is a navigation bar with the Magento logo and 'Admin Panel' text. A search bar labeled 'Global Record Search' is on the right. The user is logged in as 'admin' on 'Friday, February 12, 2010'. The main navigation menu includes 'Dashboard', 'Sales', 'Catalog', 'Customers', 'Promotions', 'Newsletter', 'CMS', 'Reports', and 'System' (which is highlighted). A 'Get help for this page' link is also present.

Below the navigation bar, there is a 'Latest Message' section with a warning icon and text: 'vB integration lite is going to be launched soon zzz [Read details](#)'. To the right, it says 'You have 1 critical, 4 major, 19 minor and 8 notice unread message(s). [Go to messages inbox.](#)'

The main content area shows a green notification: 'License and module Email template manager (S) installed.' Below this is the 'Aitoc Module Manager v2.0.0' section with a 'Save modules settings' button.

A yellow warning box contains the text: 'Before any action with Aitoc Modules please set all Magento folders to have writable permission for the web server user (example: apache)'.

The 'Enable/Disable Module List' table shows the following:

Enable/Disable Module List	
Advanced Permissions (S)	<input checked="" type="checkbox"/> License is installed <a href="#">Manage</a>
Email template manager (S)	<input checked="" type="checkbox"/> License is installed <a href="#">Manage</a>

The 'Aitoc news' section features a headline 'aitoc presents new adjustware modules' and a paragraph of text: 'Content for first ad: You're currently using vBulletin Integration Lite from AITOC, Inc. and we hope you find it useful. Still you can improve your and your customers' experience by upgrading to the Full version of the extension. In addition to the features of the Lite version, the Full version significantly improves the User Experience and gives more flexibility with Registration and Accounts: User Experience: + Allows Customers to discuss products'.

A yellow callout box with an orange border points to the 'Manage' link in the 'Email template manager' row of the table. The text inside the callout box reads: 'Choose the Module, which License you want to upgrade, and go to the Manage License page'.

## 2. How to upgrade the License

The screenshot shows the top of the AITOC website. On the left, there are navigation links for 'home', 'contact', and 'site map'. The AITOC logo is prominently displayed with the tagline 'Solving more of your problems. Fast.'. To the right, there is a search bar and a navigation menu with links for 'My Account', 'My Cart (1 item)', 'Checkout', and 'Log Out'. A promotional banner offers '10% off for each purchase over \$200 + more great discount deals!'. Below the navigation, there are category links for 'phpFox Extensions', 'Mag', and 'Web Development'. Payment logos for PayPal, VISA, MasterCard, AMEX, and DISCOVER are visible at the bottom of the header.

This is the shopping cart with your current License. It will be discounted from your Subtotal order sum. Choose a new License with more stores and click Proceed to Checkout. If you choose less stores a failure notice will appear.

### Shopping Cart

The screenshot shows the 'Shopping Cart' page. At the top right, there is a 'Proceed to Checkout' button. The main content is a table with the following columns: 'Remove', 'Product Name', 'Unit Price', 'Qty', and 'Subtotal'. The table contains one item: 'Email template manager (S)' with a unit price of \$99.00 and a quantity of 1, resulting in a subtotal of \$99.00. Below the product name, there are 'License options' including a dropdown menu for 'Number of stores' currently set to '2 (\$99)'. Below the dropdown, it says 'Number of stores the extension can be used on.' To the right of the table, there are buttons for 'Continue Shopping' and 'Update Shopping Cart'. At the bottom left, there is a 'DISCOUNT CODES' section with a text input field and an 'Apply Coupon' button. At the bottom right, there is a summary table showing 'Subtotal \$99.00', 'Discount -\$99.00', and 'Grand Total \$0.00', with a 'Proceed to Checkout' button below it.

Remove	Product Name	Unit Price	Qty	Subtotal
	 <b>Email template manager (S)</b> License options * Number of stores <input type="text" value="2 (\$99)"/> <small>Number of stores the extension can be used on.</small>	\$99.00	<input type="text" value="1"/>	\$99.00
